## DEVELOPMENT 2023

The tool was developed and tested by an Executive Group composed of more than 70 auditors from multiple countries and regions, representing the following Supreme Audit Institutions (SAIs):

Brazil

Finland

Philippines

Canada

India

Slovakia

Chile

Indonesia

Thailand

Colombia

Kenya

United Arab Emirates

Egypt

Maldives

United Kingdom

European Court  
of Auditors

Morocco

United States

New Zealand

The tool also received contributions from the institutions below:

**United  
Nations**

Department of  
Economic and  
Social Affairs

**THE WORLD BANK**

IBRD • IDA

## EXECUTION 2024

In 2024, SAls around the world were invited to apply the tool in their countries. Auditors received training throughout the year to enable them to conduct the assessments. The consolidated results are being presented at COP 29, in November 2024
